

Hall Estate,  
Naggar.

Respected Chota Sahib,

20th July, 53.

Please do come if you possibly  
 can. Doctor Sahib got his two ribs fractured  
 falling on a stone, when beat by a cow.  
 but confined to bed.  
 He is feeling better now, this being the  
 fruit season, it will be encouraging to  
 pay a short visit, may be very short in  
 your Hall Estate.

Convey our humble salams to Chota Mem Sahib  
 All my children convey their heartiest wishes  
 to both of you.

Maina is slightly better, she can then  
 only be sent to Chanderkhani, when

Doctor Sahib restores to normal health.

Our "Namastay" to Hira bai + yaswant.

yours faithfully,

Maina Devi + Vishnu Sarm.
