Dear Mr. Shibayeff,

I am beyond measure pleased to receive your kind note of the 28th instant, which brought me the happy unexpected news of my election as a Correspondent Member of the Society of Roerich Museum. I thank you very much for the trouble in presenting me Prof. N. Roerich's Paintings & the photograph. I again very heartily thank the Soul who has so kindly elected me as the Correspondent Member of the Society. I now beg to express that I should by all means accept the kind offer & shall try my level best to render any help that lies in my power.

With my best wishes to you.

I am yours very Sincerely,
Lobzang Mingyur Daje
