My dear Barnon
Herewith the tentage. In one bundle is
the 40 lb. and bathroom for the 80 lb. In the other is the
80 lb. plus bag of pegs.

The only repair necessary is a long nail or piece of iron in
the top of one of the poles belonging to the 40 lb. I have
pointed it out to your man. It entails 2 or 3 minutes work.

Both tents are in first rate condition and I am asking only
Rs 100/- for the lot. If you bought new tentage of this description
today it would cost you at least 260 rupees.

Hope to see you this evening

Yours sincerely
A. D. Omkari

P.S. I was talking to you about Professor Darrington & Kish a few
days ago. Both are mentioned in the Pioneer today!
