My dear and eminent Friend:

I am extremely sorry for the delay in answering to your letters. Yes, I am busy in the program of our great ideal: The R.I.U.X

I am glad to know that you are busy with the development of several classes there in Music, Painting, Sculpture of the Roerich Academy of Arts. I thank you very much for the catalog you sent to me. I shall be happy to publish a short article in the "Corriere del Libro" on the Roerich Academy of Arts. I shall send you 20 copies of my Journal as soon as the article is published. Please excuse me for the delay in publishing such a communication on behalf of the Roerich Academy of Arts.

I am very happy to know that you have moved into new quarters and are incorporating with a new set-up establishing you on a firm basis. On behalf of our common great ideals, I wish you all success in your noble enterprise. My soul is always with you.

My friend Comm. Luigi Lancellotti is leaving Italy for the U.S.A. very soon. He will pay a visit to you in New York in order to express you my best wishes. Comm. Lancellotti is a great Italian business man. Perhaps he will ask you to be introduced to some business men of New York. I should be very grateful if you would be good enough to help him in this sense.

Comm. Lancellotti is a very good man, endowed with a deep love to humanity, a generous heart, spirit of true service and benevolence. He is a Member of our Comitato Roerich. Please show to him some paintings of Prof. Nicholas Roerich.

With warmest personal greetings to you and Mrs. Sina Fosdick and many thanks for all you do, I remain,

Fraternally yours,
