Dear Sir,

I am in receipt of your letter dated the 1st November 1932. In reply I beg to inform you that the photos of "Buddha-The Giver" and "Kalki Avatar" will soon be sent to you.

We like very much the 1000 copies of the catalogue so kindly sent by you. These catalogues are always distributed amongst the deserving visitors.

I am extremely glad to hear that America is taking so much interest in our institution. I should like to get the clippings. Articles regarding the Roerich Room of our Museum would appear as soon as the photos are ready.

Arrangements are being made to make the paintings insect-proof. You need not be anxious regarding that as I am already careful.

All the printed matters kindly sent by Prof. Roerich and yourself have been duly received by me. Please convey my hearty thanks for this kindness to Prof Roerich and accept the same for yourself also.

Yours truly

Dear Mr. Shibayev,

I am glad to learn of Prof. de Roerich's love and admiration for our new institution which has now been named "Bharatiya Itihasa Parishad" (the Indian Academy of History). Our workers will consider it an honour to have Prof. de Roerich's name amongst the patrons of the Academy.

Its constitution as passed in the preliminary session is under publication and a copy of the same will be sent to you in due course.

I would be glad to introduce to Prof. de Roerich, the secretary of the Academy, Prof. Jay Chandra Vidyalankar, who has been and continues to be the moving spirit behind this activity and is one of our eminent scholars and a valued friend of mine. He may undertake an all-India tour in connection with the Academy's work and if he goes to the Punjab, I may ask him to pay a visit to Prof. N. de Roerich.

I am also in receipt of His Excellency's letter dated the 14th. instt., accepting my request to propose his name as the respected member of the Nagari Pracharini Sabha. I shall now move the Sabha in the matter.

Yours sincerely,

Mr. Shibayev,
