My highly regarded and dear  
Mrs. Campbell

My wife and I are deeply touched by  
your concern and desire to assist us.  
In this respect, during our entire lives,  
we have seldom encountered such high quality  
of humanity. We want to thank you im-  
mensely and are certainly pleased to know  
there are people in this world who are  
so kind so kind and understanding to help  
people whom they have never seen but  
only heard about.

The sudden passing away of our dear and  
beloved friend Miss Marta Sturans was indeed  
a shock to us and even very sorry to hear that.

WE extend our deepest sympathies to you.  
Life here is quite difficult as my salary is only  
twenty dollars a month and a parish house  
to live in.

Although I am serving God the way I love it  
best I simply cannot be uninterested in your  
proposition. That is why I would greatly appreciate  
if you would write me and state the nature  
of my employment in America. However, I doubt  
very much if it will be possible for me  
to take up residence in the U.S.A. as I have  
been in Canada over six months and thus  
lost my American citizenship status, so I was  
told.

The fifty dollars you sent us was received but  
this would be quite inadequate to cover expenses  
for the trip. In order to save you further trouble  
and expenses I will again appeal to you not to con-  
ceal the nature of your proposition as we are very inter-  
ested. - I also want to point out to you that we are  
unable to speak English as we have no opportunity  
to learn it here on these lonely prairies. This may  
have quite a bearing on the employment you have  
in mind for us. Yours very sincerely P. Kuehne

Honorable and Beloved Benefactor -

Mrs Campbell !

Forgive the long silence .

Our present conditions of legitimation are not easy to clear up ,  
but to understand them that is more difficult. At least untill  
the settlement of these conditions in Canadian Central Immigration  
Offices we have to stay here . Therefore thanking heartly for your  
goodheartedness and your efforts we are to tell you that it is  
impossible for us to go to stay with you , and we ask your indications  
what to do with the money documents .

May God bless you and help you in all your ways , especially by  
mitigating the pains of the orphans in this life .

Hearty greetings and God's help and thanks for her efforts to mrs  
Aida Princis , and we are keeping in good memories Mr A. Grundmanis.

We remain always thankful keeping you in our brightest thoughts .

Luize and Peteris Kurzemnieki .

Dec. 27. 1951.

We are struggling with frost and abundance of snow and we hope in  
trust ~~in God~~ for God's mercy to endure also this winter in our  
lonesome church hill .

We are fairly well in our health conditions . Service in the cold  
church is real test of endurance against frost.

Sometimes despondency and loneliness are obtruding but we have to  
overpower them with spiritual activity as all the eremits had done .

Highly honored and beloved benefactor  
Mrs K. S. Campbell.

God mercifully has lead us to  
Vancouver where there is broader  
field of work: in school, in church  
and in society. The parish members  
are mostly intelligent people, who left  
their homeland because of wars and  
flames of revolution. Their language  
their spiritual world - they are the mine  
and their sorrow and joy - they are  
the mine - they you I am satisfied  
and thankful to God.

By comparing with our very poor  
condition in Alberta life here is  
satisfactory.

Heartily thank you for your  
goodness and help.

God bless you!

Please forgive that my answer was  
again so late. In connection with

changes and travelling to Vancouver I was overburdened with feverish work. This period to Easter is also very busy with plenty work in the church.

Deeply thankful we beg to accept our greetings and best wishes in your life led by magnanimity and love of your heart.

Hereby I enclose 2 cheques each for \$50.- and postal money order for \$50 and two orders for \$100.- each Total money documents for \$ 350.-

Always thankful

I answered :

.... Your letter and money documents of \$350.- were received in Anna Mrs K.S.C. in the time being is abroad and the translation of your letter will reach her somewhat later

It is a heartfelt joy that you are now in other living conditions and around you there are other people. It is really God's mercy and real happiness to be in worn which is a call of the fire of heart.

Heartfelt God's keep and blessings in new working place. —
