Darling Aunties,

Thanks a lot for your sweet letter. I guess you will be very happy to know that I have been doing a lot of sports and walks. I am learning how to swim and M^{re} Trudy said in another few times I will know it. I ~~wear~~ wore my shorts nearly everyday after you left for my tennis. I have left them at Lausanne, so Madame Chereau ~~to~~ told M^{re} Heulie to send them here for my tennis when she phoned to ask how I am.

That will be wonderful if you come to see me, for Madame

Chereux would like to meet you.

How is you back now? I
hope much better.

Lately I have got no news
from Mummy or Papa, they
must be in Mandi now.
Have ~~you~~ you got any news
from Auntie Davika? If you
write to her ~~at~~ her town say
love from me.

Bye - Bye

With lots of love
and two big

from
yours
dearly
