Dear Miss Lickmann

I have only just  
heard that Madame Roerich is  
very ill. I do not know just  
how accurate this is but if  
she is seriously ill I hope you  
will allow me to do something  
to assist you. I am, as perhaps  
you know a completely trained  
general nurse & might, under such  
circumstances be able to give her  
such relief & assistance that  
untrained attention could not give

11.

It would be a pleasure to me to  
give her any help possible &  
please make use of me if you  
need further assistance. I am  
very very sorry to hear about  
this & feel very much for you  
also.

I hope you will let me know  
what her condition is

Yours very sincerely

Patricia Livingston.

P.S. I would willingly come up &  
take duty to relieve you & Mrs  
Hock at any time. My children  
could be left in charge if my sister-in-law

My dear Miss Lichtmann

I am so sorry

that I shall not have another  
opportunity of seeing you all.

I do hope tho' you will do

Madame Roerich good. Please

make my adieu to her &

Mrs Hoch. I regret very much

that I was not able to see

Madame Roerich but I shall

carry with me very pleasant

recollections of her.

I can imagine what a responsibility  
you feel the more to be  
I hope the results will repay you.

I had word from my husband  
today that he will be coming  
to Haggan to take us away  
at the end of next week, so I  
too am feeling worried at the  
thought of our journey down.

There is so much I should  
have loved to talk over with  
you this morn. I was very  
impressed by Mrs Besant's book  
& it has started me on a  
new line of thought, which I
