Dear Mrs Dutko.

I think you have put very clearly
your life - responsibilities & intentions.
and if you continue the same
path - you are sure to win out.

Protect yourself - by not seeing
much of worldly people & as
Vanni Sivkaranda said to me

"Tell yourself, day & night - that
"You are the child of God." - "but so is
"every one. Keep that in mind! too.

I am thinking of going to India
this winter - if I can get passports
I will go to the Guest House of the
Rameshkrishna Math Belur P.O.

Hoorah. Bengal India -

When my niece's nephew was a child

he had french servants & talked french

So "Tante" - is like Auntie - & many
young friends call me "Tante".

With warm regards & affection

I am now your - "Tante"
