Mr. Dudley Fosdick
Vice President of "Flamma"
227 Riverside Drive

My dear Mr. Fosdick:

By all means you can use my article on Roerich as you please, for his Message is the only sure salvation from the academic organized stupidity of today.

I accept the Honorary Membership in Flamma and I do hope the (time) will allow me to participate more actively in the Roerich Educational Movement here and abroad.

Very truly yours,

"Paul R. Radosavljevich"
