Madame,

Thanks for your note. I have asked Postmaster Manali to check your Air mail postage & have for the time being deposited with him a sum of Rs 5/- only, to meet the insufficiency of the same that may be noticed there (he will affix the required additional stamps) & to this he has very kindly consented. When this amount shall exhaust a further such deposit will be made.

Kindly let me know after a few days experience whether this arrangement suits alright, if not we shall make it in some other way.

This amount of Rs 5/- may please be sent to me. Kindly pay my best respects to Professor & Madame. With all good wishes for a very happy change of climate & with best greetings,  
Yours sincerely  
K. K. K.
