Dear Dr Sikand,

My friends, Mr. & Mrs. Roerich of Kulu, are going to Delhi by road and may have to stop one night, 15th October most probably en route. With a view to comfortable arrangements for their stay I have asked them to go over to Kapurthala for the night, and in this connection I have also sent you a telegram and I hope that you will kindly see to their comfort.

With best wishes
Yours sincerely
Jagjit Singh
