Dear Frances,

As requested by Mr. Stokes I am returning the Plauts Davis statement to you and also sending you a copy of the letter which Mr. Stokes wrote to me. I have forwarded the check to Plau and Davis for \$1000.

Have you anymore circulars of my book? If so, please send me a few. Did you ever get the books back from the League of Political Education and have you taken any action with regard to the Liveright Book Shop? I know you have been very busy and worried about other things, but still this is a matter you undertook and the results, except through my efforts haven't been very satisfactory and I must admit I am somewhat disappointed.

Cordially yours,

Florentine S. Sutoro.

(Plauts original letter, I believe, has been sent you directly from Sina, so I am not enclosing a copy here.)
