Dear Professor Radosavljevich:

I was deeply impressed by your recent paper, "Spirit of Roerich's Culture or Veneration of Light in Modern Education", and gratified to see your appreciation of the noble contributions of our highly esteemed Honorary President, Prof. Nicholas Roerich, which parallels our own. In an article just completed for the newspapers I am quoting from your paper.

Our first publication, a booklet by Richard Rudzitis of Latvia, entitled, "Culture", has just been issued and we are sending you, at the request of our close friend Sina Lichtmann five copies. Within its covers you will also find a brief outline of the nature and purpose of Flamma.

It is our hope that you will accept Honorary Membership in our Association, and if you feel our aims to be worthy we shall be very pleased to have your esteemed name associated with our work.

Hoping to receive your endorsement of our ideals and purposes through your acceptance of Honorary Membership in Flamma, I am

Sincerely yours,

Dudley Fosdick  
Vice-President
