My dear Dr. Pertzoff:

In reply to your letter of February 10th, I beg to inform you that at the next meeting of the Board of Trustees we shall take up your offer pertaining to the bio-chemical laboratory of the Institute near Grenoble, France, and I shall let you know their decision after the meeting.

In the meantime I take this opportunity to express to you our deep appreciation for your wholehearted cooperation and interest in the development of the Urusvati, Himalayan Research Institute work.

I do hope that you will be in New York in the near future and thus give us the opportunity of seeing you personally.

With best greetings, I remain

Very sincerely yours,

Lina Lichtmann
Vice-President

My dear Dr. Pertzoff:

We forwarded your letter by
air-mail to Dr. George Roerich, and in the mean-
time have cabled him, in order not to keep you
waiting. In accordance with his cable reply, we
should greatly appreciate your conferring directly
with him pertaining to the bio-chemical laboratory
at Grenoble. You will probably hear from Dr. Roerich
shortly, for he states that he has written you
regarding the present situation.

With cordial greetings,

Very sincerely yours

Sina Lichtmann
Vice-President

My dear Dr. Pertzoff:

I have received your kind letter of September 25th and hasten to send you my sincere appreciation for your comments on the Urusvati Journal. We are very glad to hear that you liked this publication of ours, and will transmit your comments to Dr. George de Roerich, who we know will be very pleased to read them.

As regards your article, -since the next publication may be printed in Calcutta, as per Dr. de Roerich's last letter, we would suggest that you send him a copy of your article as well as to us, as you yourself mentioned in your letter. Should the second number be issued in New York, we still would be able to come in touch with Dr. de Roerich about it.

Thanking you for your cooperation and interest in our work, I am

Very sincerely yours,

Vice-President
