Dear Dr. Brinton:

Mrs. Campbell is quite ill again and has asked me to answer your letter of July 10th.

Mrs. Campbell hopes that Mr. Lewis has not as yet presented the possibility of a combined exhibit to the Exhibition Committee of the Art Alliance, as she is really not in favor of it. Mrs. Campbell feels that Svetoslav Roerich's first exhibit in America should be for itself. She also thinks, somehow, that a first exhibit and a loan exhibit is not a good combination, and that it is better that we start planning for two separate exhibits along the lines discussed at Mrs. Bookman's home.

Hoping this meets with your approval and to hear from you soon,
I am,

Very sincerely yours,

G.I. Fritsch
