Dear Dudley:

Katherine asked me to write to you as she is feeling again ill and weak. The doctor insists that she rests a great deal, as she is not able to keep anything on her stomach. So please do not feel upset that Katherine did not answer your letter sooner, she hoped to be able to do so but feels sure that you will understand.

Katherine received your checks of Agni Yoga Publ and will attend to the matter as soon as she is able to come to the city.

Please write to Sina and ask her not to be upset at Katherines silence for as soon as Katherine is up and around again she will write to her.

We both hope that you have good news from Sina and that her rest will be greatly beneficial to her.

With hearty greetings Yours,

Lupa
