Dear Sir:

My friend, Mrs Katherine J. Campbell has asked me to write to you about her motor Policy no. 25843. The car has been in dead storage ever since April 1957. When it will be used again, we shall get in touch with you to renew the Policy. In the meantime we do not need this Insurance.

Would you please also tell me if you have a provision which gives a rebate on cars put into dead storage? We are accustomed to this in the U.S.A, but do not know your policies

Hoping to hear from you soon.

Faithfully yours,

for Mrs. K.S.C.
