Mr. Serge Ernst  
14 Rue Royer-Callard  
Paris V, France

Dear Mr. Ernst:

We have received your letter addressed to Professor Roerich who is now on an Expedition in Asia. Since we are not able to communicate with Professor Roerich at the present time we cannot transmit your message to him but we shall be delighted to do so at the first opportunity.

In his absence we are pleased to send to you under separate cover a report and a catalogue of the Roerich Museum and a copy of "Archer", Publication of the Society of Friends of Roerich Museum. These we know will convey to you the broad extent of the work of the Museum and the great influence Professor Roerich's art has in America.

Permit us to express also how much we value your splendid writings on Professor Roerich.

Very truly yours,
