Miss Esther J. Lichtmann
Roerich Museum
310 Riverside Drive
New York, N.Y.

Dear Miss Lichtmann:

The following are the temporary headings for my article on Cancer in India, which is being revised and brought further down to date waiting for data from India which are due almost any time now.

1. Population
2. Age Distribution
3. General Death Rate
4. Indian Life Risks
5. Indian Medical Research
6. Cancer in Calcutta
7. Cancer in Bombay
8. Cancer in Madras
9. Cancer in Colombo
10. Cancer in Ceylon
11. Betel Nut Cancer
12. Cancer in South India
13. Cancer in Kashmire
14. Kangri Cancer
15. Cancer in Persia
16. Sir Leonard Rogers on Cancer in Bengal
17. Limited Value of Pathological Studies
18. Nutrition of the Indian Population
19. Himalayan Research Institute of the Roerich
Museum, Punjab

Very truly yours,

Frederick L. Hoffman
