Sir,

Having come to know
that the services of a part-time Tibetan
teacher is required, I beg to apply for
the same.

I am a graduate of
Calcutta University. I am aged
24 years and I come from a Tibetan
family. As my mother tongue is
Tibetan, I am quite proficient in
Tibetan, both spoken and written.

I had taken Tibetan as my
second language in my school
& college days. At present I am working
as a Tibetan teacher in Kalimpong
Govt. High School. As regards the
salary, I would like to state

That the minimum pay acceptable
to me is Rs 60/- . Please inform me
if that is acceptable.

Yours sincerely,
