Dear Meis Lichtman,

I take it for granted  
you have again returned  
to our shores and I am  
looking forward to a  
lengthy visit with you  
to hear about all the  
wonderful adventures.

From the above address

you can see we have  
become suburbanites.

It is delightful out here  
and our new home is so  
charming, Don most  
anxious for you to see  
it. Do let me know  
when we can get  
together. Mrs Schwartz  
joins me in cordial  
greetings Sincerely  
Topsy Schwartz

Dear Miss Lichtman,

We have thought of you so often and wondered if you have returned to our shores once more.

We have become genuine suburbanites and just love country life.

Our first winter out here was so enjoyable and hope if you are again

in New York, at your first  
 opportunity to trek out to  
 us.

We have just completed  
 a vacation in Florida  
 and enjoyed the famed  
 Southern sun. Nothing  
 could compare with  
 your experience and we  
 are looking forward to  
 having them relayed to  
 us direct from you.

We all join in sending  
 you our sincere greetings  
 As ever friendly  
 Jerome Schwartz
