My dear Mr. Banon,

Many thanks for your letter of yesterday just to hand. The Raja Sahib had already sent a representative some time back, offering his bungalow and land, but we are not in need of any. Neither do I know of anyone who wishes to buy.

Regarding your proposal about fruit, could you come over for an hour or so on Saturday at 4 p.m. for tea to talk this over. If you can let me know by return whether this date suits you, we can send our horse to the bridge by 3.15 to 3.30 p.m. on Saturday.

I have transmitted your greetings - thanks, we are all well.

With best wishes

Yours very sincerely,

*Shibani*

Dear Mr. Banon,

Referring to our talk about  
fruit, if you are short of fruit, we would  
prefer if you would make an offer per maund.

Yours sincerely,

*W. H. Hayes*
