R.V.Poduval, Esq. B.A.
Officer in charge
Sri Chitralayam
Trivandrum.

Dear Mr. Poduval,

Many thanks for your kind letter of March 4th.
As regards the address for the despatch of the copies of
frescoes mentioned by you, much as we would have liked to see
them, but in view of the far distance into the Himalayan
mountains it is by far easier and cheaper to send them direct
to the following address:

Fondation Roerich
Museum pro Pace.
Place Van Eyck
BRUGES, Belgium.

Please let us know when they will be despatched in order that
Prof. de Roerich, as Honorary President, may officially express
his thanks.

I am glad to hear your appreciative references to Prof.
de Roerich painting "Fiery Thoughts" in the State Art Gallery
and to learn that the Government are sending their appreciation
and thankfulness, which have not reached so far, to Prof. de
Roerich.

Yours sincerely,
