Many thanks for your letters and the clipping. Yes, we have duly received the copies from the "LEader" - thanks very much for arranging this.

Regarding the request of the LEADER, please find enclosed the Diary leaves of Prof.Roerich "REQUIREMENTS", which please transmit to them. Usuall we receive fifty reprints from all magazines, but in this case if they could send us twenty clippings it would do.

The Baltic Congress in Riga was a great success, besides numerous visitors from abroad, who attended the three days' sessions, the press of all the Baltic countries greeted this cultural events very enthusiastically. I enclose herewith a leaflet on the Monograph which is being printed already. If you would like to review it, please let me know and we shall ask to send you a copy. Of course a copy will also be sent to the Center.

With best wishes and regards

Yours very sincerely,
