Dear Sirs,

We have received news of a friend of ours coming from New York by the S.S. Saturma (leaving New-York on the 15th of February) and changing in Naples for your shipping line, for s.s.Genova to leave Naples on about March 2nd.

We shall be grateful if you would kindly let us know the date of arrival of this steamer in Bombay and also the timings of the calling of the steamer on the way (Aden, Portsaid, etc.) We shall be glad if you could send us a time table for this season, as some friends of our intend to go back to Europe in May-June.

Please also mention the time (hour) when steamers from Italy are due in Bombay.

Should you have information as to the date of arrival of the S.S. Saturma in Naples (and perhaps its route from New-York and callings on the way to Naples) please also let us know of these, also the shipping line to which this steamer belongs, so that we can send telegrams en route, if necessary.

Thanking you in anticipation of as detailed a reply as possible

Yours very truly,
