M^{rs} Santal Mpanlandas recent paintings reveal an ever widening search after new values and expression.

There is greater integration and harmony, a maturity born of experience and introspection.

I have little doubt that M^{rs} Mpanlandas will further enrich our experience of visual education and give us an even more eloquent glimpse into her own inner life through the medium of her ever richer contemplations.

of Paintings at Delhi

Mrs. Santosh Manchanda's recent paintings reveal an
ever-widening search after new values and expression.

There is greater integration and harmony, a maturity
born of experience and introspection.

I have little doubt that Mrs. Manchanda will further
enrich our experience of visual evocation and give us an
even more eloquent glimpse into her own inner life through
the medium of her creative contemplation.
