APPRECIATION OF MRS. PRABHA RASTOGI'S  
PAINTINGS AT HER EXHIBITION AT BANGALORE

by

SVETOSLAV ROERICH

I am always glad to see Mrs. Prabha Rastogi's paintings and I am happy she is going forward in her new compositions, reaching out towards new realms of self expression. I feel confident she stands before a significant break through in her Art both thematically and technically and I shall be looking forward to her new compositions and her new important discoveries.
