MESSAGE OF
SVETOSLAV ROERICH
ON THE OCCASION OF AN EXHIBITION
ON
THE USAGE OF KANNADA DURING THE
BRITISH RULE IN INDIA
BY
MR. MAHADEV BANAKAR

I have seen with great interest the exhibition of Kannada Documents currently held at the Karnataka Chitrakala Parishath and I wish to congratulate Mr. Mahadev Banakar with the Historic task so well accomplished by him. The records of history are the important milestones in our progress and we must carefully preserve them as living witnesses of days gone by.

I wish Mr. Mahadev Banakar to continue his fine research into the past of Karnataka which may perhaps throw additional light on some of the lesser known pages of History.

Once again I wish to express to Mr. Mahadev Banakar my appreciation of his fine and exacting work.
