

Knowledge of Goodness alone,  
Cognition of the Beautiful alone,  
will not by themselves give  
us true Happiness.

One must learn how to apply  
both these in our everyday Life.  
One must learn how to live  
Beautifully.

- SVETOSLAV ROERICH -

Knowledge of Goodness alone,  
Cognition of the Beautiful alone,  
will not by themselves give  
us true Happiness.

One must learn how to apply  
both these in our everyday Life.  
One must learn how to live
