Re Cancer Research program:

The Institute is extremely gratified to report the keen interest which it has met in its program for cancer research. Numerous inquiries have been received at the New York offices from cancer specialists and hospitals, and appointments arranged with Mrs. Sina Lichtmann and Miss E.J. Lichtmann, who returned in November 1931 from her three years' stay at the Institute Headquarters in Naggar, have resulted in offers of cooperation, specifically in the experimentation of medicines to be issued by the Institute Laboratories.

Memorandum on Bio-chemical Laboratory Campaign:

Meetings were held October 20, November 18, November 27  
Members of the Committee include:

Major J.G. Phelps Stokes, Chairman  
Mrs. K. Campbell, Treasurer  
Miss A.H. Cassidy, Secretary  
Mr. Louis L. Horch  
Miss Esther J. Lichtmann  
Mrs. Sina Lichtmann  
Count James Lovatelli  
Miss Frances R. Grant  
Mrs. Edith Whiteside  
Miss G. Fritschi

Campaign leaflet not yet printed.

# Corrections:

Under our heading, "Publications," reference to German edition by Heath and Company should read "is also under consideration" instead of "in preparation" according to later letter from Yale.

Mention of English Edition by Luzac ?

-----

First page, 4th paragraph, would ~~not~~ "identified and classified" be better than "mounted and catalogued" ?
