In Care of His Excellency,

The Governor of the French Indies
Pondicherry, French India

Dear Professor de Roerich:

In accordance with the instructions of Mr. Horch, Frs. 13918 has been deposited on your account at the Banque de l'Indo-Chine, Pondicherry, to re-imburse you for the monies laid out for the travelling and equipment expenses, as well as one month's salary, for Dr. C.C. Lozina; also, Frs. 5076, representing Dr. Lozina's salary for November. These amounts were forwarded through the French-American Banking Corporation, New York, on November 8th.

I enclose herewith the last two reports of the Urusvati, Himalayan Research Institute. The meeting of the Patrons' Committee will take place on November 24th. We are starting our season's work with renewed energy and enthusiasm and hope to further the work of Urusvati in a greater measure this year. We shall be very grateful to you for any advice in this direction.

With deep reverence,

Yours most sincerely,

Sina Lichtmann
