Dear Friends:-

I am happy to enclose my check in your favor for \$750., as the purchase price of the beautiful bronze that you have on exhibition and that you call "The Birth of Buddha." I should be pleased if you should think it feasible, to retain this bronze as a permanent exhibit either in your rooms, or in such other part of the Museum as might be agreeable to the Museum authorities. I should prefer that my name be not used in any way in connection with such permanent exhibition of the bronze, but that it merely be exhibited as a very beautiful item in the permanent collection of Urusvati, and trust this will be agreeable to you.

With great appreciation of the wonderful work you are all doing, I am,

Very sincerely yours,

Encl.

(Signed) J.G. Phelps Stokes
