

NAGGAR, Kulu,  
Punjab

March 28th 1931

TO ALL WHOM IT MAY CONCERN.

Dr.C.C.Loizina has been invited by the Himalayan Research Institute at Paris on contract for six months and has been working from September 1930 to March 1931 in the capacity of Medical Advisor to this Institute in Naggar, Kulu, India and has regularly attended the Honorary President-Founder, Mme H.de Roerich on her illness.

He is now leaving on account of family affairs calling him back to Paris.

The Institute was fully satisfied with his services and he has been elected Corresponding Member of the Institute.

We wish him all the best for his future career.

President-Founder  
& Chairman of the Board of Trustees.
