- 6) To prepare the album which the Director presented to the Institute pasting in all the small photos from the Ladakh Expedition.
- 7) To keep everything in order for the next issue of the Journal.
- 8) To make the general album of photographs presented by the Secretary of the Institute.
- 9) To make an album for presentation to Mrs Sutro and one for Phelps Stokes.
- 10) To bring into order, into an album, all the clippings relating to the Institute.
- 11) To assort all the accumulated letters and copies of letters into packets of files, for the respective years, and into alphabetical order, with indices where necessary.
- 12) To keep up and develop the distribution and exchange of the Institute Journal.
- 13) To attend to the keeping of the zoological collections.

Georges de Norrich

Director.

January 11th 1934.

2

Programme of work
for Lama Lo⁶zang Mingyur, Urusvati Himalayan Research Institute
Naggar.

- 1) Completing of the copying of the Dictionary (about 4 months)
- 2) To include in the Dictionary all Tibetan names of drugs and their Latin identifications (from medicinal records).
- 3) To revise the MMS of the Dictionary and check all cross-references (less than 1 month).
- 4) Inclusion in the Tibetan Dictionary of words from the "Tibetan Dialect of Lahul".
- 5) In the summer: English translation of the Tibetan Text of Lan-thabs (this can perhaps be done together with the Secretary for the English wording of the text).

GauRoerich

Director
