

Brookman Dept.

Experimental plantations of medicinal plants were continued during current by Mr. Sr. N. Roerich, and ~~interesting~~ ~~which~~ and interesting results are evident.

~~Laboratory work~~
On view of laborer eq^u of the Ho. have not having been as yet installed, laborer work has been conducted by Mr. Sr. Roerich ~~and in~~ his private laboratory and very interesting results have been obtained.

2

Lucretia V. Palmer will live to
perpetuate the name of her noble
~~father~~ in New York - and we
must therefore enter full sympathy
& openness to her wish. —

Donna Kimmel. Jan 8

② We hope that urgent orders will
be received to enable the Institute
to proceed with the publication.

Leaves of plantation
