Dear Sirs,

As requested by your President, Dr. Horch, we are sending you under separate cover our 1927 BCM catalog, our 1931 chemical and drug catalog, and copies of some recent bulletins.

Dr. Horch informs us that you expect to erect and equip an up to date biological and chemical laboratory.

As you are no doubt aware, our stocks of biological and chemical laboratory apparatus, also of chemicals, drugs, emergency supplies, stains and standard solutions are the largest and most comprehensive in America and we believe in the world.

Additional special data will gladly be furnished on request.

Prices are in general as indicated, f.o.b. New York, subject to market changes.

Assuring you of our heartiest cooperation and awaiting your further advice and favors.

Cordially yours,
APPARATUS SALES DEPARTMENT
