To The Secretary.

Illustrate Institute, Naggar

Dear Mr. Subangar,

Before leaving for America Dr. George wrote
that I should apply to you on any matter concerning
the Institute.

2. With me are a few large bird skins which
I do not want to pack up. But which are worth
preserving for scientific purposes. If the Institute
will accept these skins they will not be wasted and
may later be useful.

3. If the Institute will accept these skins I can
send them up at 2.30 p.m. this afternoon if the museum
can be opened at that hour.

Yours sincerely

Dear Mr. Gill,

We thank you for your letter of to-day's date and were glad to hear that you intend presenting to our Institute a few bird skins, which we accept for our ornithological collection with pleasure.

I shall be up at the Institute at 2.30 as mentioned.

Thanking you once more,

Yours sincerely,
