Mrs. B. B. Munford
329 North Harrison Street
Richmond, Virginia

Dear Mrs. Munford:

Volume III of the Journal of
Urusvati Himalayan Research Institute has just been
published in India. Dedicated to Dr. Sven Hedin,
famous Central Asiatic explorer this volume of 230
pages includes descriptions of the latest expeditions
of the Himalayan Research Institute as well as of the
new biochemical Laboratory of the Institute. There
are also articles on various fields of science by
eminent scholars, as well as reports on recent
Asiatic expeditions by other institutions. The
Journal is profusely illustrated.

We feel that you will find much of interest
in this volume and hope that we may have the pleasure
of renewing your subscription. The price of Volume
III is \$1.35.

Enclosed you will find also a list of
publications and reprints of the Institute.

With cordial greetings,

Very sincerely yours,

Vice-President

To those who
have not yet
subscribed
