Indian Army (Retd)

OFFICE OF THE SUB-DIVISIONAL OFFICER, NAGGAR. KULU

Dated, Naggar, the 24th of July 1932.

Dear Colonel Mahon,

Your letter No.422-L dated the 22nd July. The only official map of a tract of country, such as that comprising the Chaki nullah, are these issued by the Survey of India, but in this case no sheet for a scale larger than $\frac{1}{2}$ inch to a mile has been published.

For definite field numbers copies of the revenue maps can be obtained from the Record Room at Naggar Castle. A rough map of any particular stretch of cultivated land along the Chaki can therefore be compiled but the actual bed of the stream is not shown in the revenue plans.

Yours sincerely,

Sgd H.A.C.Gill

Colonel A.E.Mahon, D.S.O.
Manali.
