2nd July 1936

Dear Sir,

You will kindly pardon me for not having acknowledged receipt of your letter of the 26th May. Your letter and the photograph, which you were kind enough to send us, were being circulated among the members of the Board.

I am desirous to convey to you, the grateful thanks of the Board for your kindness in sending us a rather impressive photograph of a painting of Himalayas by Prof. Nicholas de Roerich. We cannot adequately thank you for the readiness with which you have extended to us your assistance in our venture. If we have not used the photograph yet, it is not because we do not consider it sufficiently impressive, but because we are still unsettled about the change. I shall communicate with you regarding further developments.

Thanking you for your kindness and with deep sentiments of profound regard,

Yours sincerely,

B. N. Sastri  
Secretary.

The Secretary,  
Urusvati Himalayan Research Institute of  
Roerich Museum, Naggar, Kulu, Punjab.
