Dear Sir,

We require very urgently the following  
four ordinary line blocks:

- 1)- as per print enclosed, same size  $1\frac{1}{2}$  inch or  
very slightly smaller
- 2) same, but reduced to  $\frac{3}{4}$  inch (diameter of  
circle)
- 3) TWO blocks of the word:

FLAMMA

set in your largest Hawarden Outline 48 point  
- as you have done similarly before. The letter  
"A" of this type is enclosed herewith to myke  
quite certain. If you can spare and sell us  
the ten separate letters of the type, this would  
would us as well, if cheaper, but otherwise  
a zinc line block of the whole word FLAMMA  
mounted as usual on wood is wanted. (You once  
made such a word in same outline Hawarden pt.36  
but this time point 48 is required.

No proofs of these blocks are needed, as there is  
no time to await these and send replies. But as  
the above is quite clear, we request you very much  
to kindly put this work into hand at once and to

send us the four blackblocks as soon as possible  
by V.P.post, securely packed in a wooden box.  
To make quite clear: one large round sign  $1\frac{1}{2}$  "  
one small round sign  $\frac{3}{4}$  "  
2 Haw-rden Outline line blocks  
48 pt FLAMMA .

Dear Sirs,

I am in receipt of your V.P.parcel, but regret part of the work was very carelessly executed - the small blue picture is so badly printed and trimmed - with a dark streak on the right side, that I am compelled to return almost three quarters of the prints. Please have these reprinted without the dark streak on the right side and also please have it trimmed more properly. The other blue picture was so badly trimmed that I have to send it to Lahore to have it re-trimmed (as you take far too long on returning URGENT work to us) and this involves extra double postage and trimming charges. In future please send all your work by reg.parcel and your bill will be attended accordingly. If you send your prints within one week from the date of the receipt of order, and if you carefully inspect it and send it faultless, you can send it by V .P.,, but if you keep us waiting for months and send badly executed work, I cannot agree

to pay by V .P. but must verify the work first.  
Enclosed I am sending two block, of each 500  
copies on buff, printed in dark brown are wanted.  
No proof is necessary, as it is a perfect block.  
We give you 7 clear days to print ( others print  
in 48 hours!) and if you despatch it by May 10th  
and if you guarantee the work to be faultless and  
checked, you can send by V.P . If you send later  
and do not guarantee it checked, then please send  
by reg.parcel. This is only fait. Usually thin  
tissue paper is placed between the prints.  
We enclose a sample of dark brown on buff paper  
showing how we want both blocks printed urgently.

Awaiting your acknowledgement by return  
of post, and your parcel by May 15th

Yours faithfully,

V.Shibayev

Dear Sirs,  
I have received your parcel with 2 new prints and one blue re-printed on Friday, for which I thank you. The prints have been examined and found correct, and the amount of your Bill 5155 Rs:16/14/- has been sent by M.O. to you to-day. Please acknowledg receipt.

I would be thankful if you would please quote your price for three tone colour printing, per square inch and if you would tell me whether from the enclosed colour negatives could be made and what they would look like. Please send some samples of your colour printing work. Should transparencies for this kind of work be light or dark? I have been told it does not matter much as readjustment can always be made in photographing and in printing and that even over and under-done transparencies give excellent printing results. Please return the enclosed transparency after perusal and please express your views, quote cost and send samples showing approximate results.

Yours faithfully

Dear Sirs,

Please find enclosed 3 large photographs of which please make three blocks with best care as this is very important work. When the blocks are ready in a day or two, please send immediate three sets of prints of each on white and buff paper in dark brown ink (not pale brown) and we shall upon receipt at once wire back whether to print on white or on buff as it depends how the blocks turn out. The blocks should all three be exactly four and quarter inch long, height accordingly

As this work is very urgent, please send the proofs AS SOON AS POSSIBLE and upon receipt of our telegraphic answer, please print 500 copies of each block IMMEDIATELY. Please also let us know whether it would cost much cheaper to have all three blocks printed on one kind buff paper and what would be the difference if the blocks are printed two on buff and one on white. Please also send the bill for the blocks with the proofs and this will be paid.

Awaiting your EARLY DESPATCH of the proofs and please note that that the work is very urgent and that if it is not executed quickly, we shall in future have to send orders elsewhere.

Dear Sirs,

I trust the printing is well in progress and will not be delayed as it is most urgent.

In the meantime I am writing to inquire whether you can print ALSO URGENTLY some 96-100 grey cardboards for pasting on reproductions. The cardboards should be 10 inch high and 14 wide, when folded 7 inch wide. Of this half an inch at the right is primming margin, and the frames to be printed should be in the center of the 6½" width- SO THAT IT WILL BE RIGHT IN THE CENTER AFTER TRIMMING, but when supplied to me 7 inch wide, there will be on the right sade of the picture a wider margin by half inch, than on the left side. This cardboard should be in similar grey and I know is available very cheap in Calcutte, less than Re:1 per quire 20½x30½ inches. This will give 4 cards per sheets or 96 per quire. In future as much more such work is planned you can purchase a ream or two, after we have approved of your cardboard and printing rate. The printing rate also should be not exsessive - after all there are only 4 lines and a couple of words text. The 96 which we want knw at once by return of mail should have exactly the same size framss and text as the enclosed, which please also return. If in could about quality of cardbaord please send samples first, but we would much prefer to have this small work executed at once and sent by return - samples of ALL AVAILABLE cardboards can be added to it for the future. PLEASE NOTE the cardboard should be smooth -not rippled or like leather, because then the reproduction will not lies flat and the leathertte design will show throught the pasted reproduction.

Supposing we also giveyou the pasting to do - what would you charge per 100 to paste on your reproductions? But the first trial lot, which please send by return, should please be without reproduction.(as we have them here.)

Please choose a suitable type for the text - and underneath of every frame on the right hand corner side, should be printed in THE SMALLEST TYPE WHICH YOU HAVE - hardly visible:

Photo V.A.S.

I do not know what types you have but if your letterpaper and bills are printed by yourselves, then I would suggest for this small type - the type like "In reply please quote" as on your letter paper - or better smaller if available. For the name of the picture the type of COLLEGE STREET CALCUTTA FROM YOUR BILLS would suit, and for "By Nicholas Roerich" the type of "Bill not paid on presentation" is suitable. Anyhow it should be made nicely. As there will be the small text at the right bottom corner of the frame, the title of the picture must be a little lower than on the enclosed samples.

We await your trial lot of 96-100 double cards by return of mail and also full quotations to enable us to place further orders. But the rate must be low and favourable or we shall have to continue to print this elsewhere as before. We await your first sample lot on payment and which may be by V.P. if sent immediately within 2, or maximum 3 days after receipt.

Yours faithfully

V. Shibayev

Dear Sirs,

Your parcel with 2500 reproductions to-hand yesterday - same were inspected and found satisfactory and a M.O. for 38/8/- as per amount of your bill has been sent to you to-day. Please send a receipt.

The proofs from the three new blocks have also been received a couple of days ago. I regret that the two portraits are not fully satisfactory, as the portrait of the lady is blotchy and not clear and in a portrait this is of such great importance. The artist himself does not approve of this reproduction and I am somewhat at a loss what to do now. He will give another photograph shortly, and the reproductions are not to be made from the one you have ready. I may perhaps use it for some other less important purpose, like magazine, but it would then not be worth more than 5 rupees at the atmost. I request you to please let me know your ideas about this. The new photograph will be sent to you shortly and great care should then be taken that the block is not blotchy and in spots. On the second portrait there is also a spot on the moustache, just under the nose - perhaps this is due to an unclean block and can be cleaned away, or perhaps you can remove it. If you can do so, please send a new proof and then we will accept this block. Such little spots can usually be removed, and rather be the spot, white than black as at present. The third block is already and please print 500 reproductions on WHITE art paper and send as soon as possible. I am enclosing Rs:10 deposit on this bill, which please credit and send a receipt. And I am awaiting your considerations about the other two blocks and a new proof of the portrait of the gentleman.

Yours faithfully

Dear Sir,

Thanks for your M. O. for Rs. 38/8/= in full payment of our bill no. P/5241. We are also in receipt of a Postal Order for Rs. 10/= in advance on account of printing the present one block. The printing of the block has been taken up and will be sent to you at an early date.

By the way - ~~The~~ spot on the moustache of your said portrait block is easily removable. A fresh proof after due corection of the block will be sent to you.

The reproduction of the other block - the portrait of the lady - is quite alright; the defect as you have mentioned is due to the original photograph being not satisfactory. However, you have no obligation to pay for the block and we shall be glad to prepare another fresh block, if you please send us one better portrait photograph of the Lady.

We enclose herewith our receipts no. 3220 and 3222 for Rs. 38/8/= and Rs. 10/= respectively.

We are also in receipt of your letter of the 20th June, 1938, though somewhat late. In response we regret very much to say that we can not undertake any further board-printing works at present as we are heavily booked for the ensuing Durga Puja. We shall be glad to undertake all your printing works if you please order us so by the end of October, 1938 and at that time we shall send our quotation for printing ~~and~~ boards with samples of Boards.

Hoping to be excused for this,

Yours faithfully,

Dear Sirs,

Your letter of the 9th to hand - we anticipate the 500 prints of the mountain block on white in Sepia by return of mail. We also note what you mention about the other two portraits - that one can easily be cleaned and that a new proof is probably on the way. As regards the lady's portrait I am sending another photograph herewith - please urgently make a block and send two proofs in sepia on white and on buff paper - we shall then confirm at once by telegram whether both portraits are to be printed on white or on buff thin paper. The amount to be printed of each portrait is 750 of each - and we understand that the cost of printing will only be a little more than for 500, and cost of paper proportionately. **UNDER NO CIRCUMSTANCES CAN THIS WORK BE DELAYED TILL OCTOBER** as it **MUST REACH HERE** in FINAL form by August 15th. The printing for each portrait is to be done **SEPARATELY** to obtain maximum best results. We await your proofs by return and request you to complete it as soon as possible. We understand that after this work you can take no other till October, but since this work has been started we expect you to complete it urgently as we need it by the 15th of August **DEFINITELY**.

We were much surprized that you cannot complete the small work before cardboards before October and as you have not returned to us the designs and as these are urgently needed for bookbinding and it would take too long a time to get the sketches back and make arrangements elsewhere, we wired you that this work is urgent and we expect you to complete it also. It only takes a day with other printers and we do not need any proofs, just make them as on the sketch on the nearest cardboard you can obtain locally and send by reg. parcel post.

We repeat that we have noted your statement postponing further work till October, but these little items, which had already been sent you (as you gave no warning of the

holidays before, we must request to please complete urgently.

Yours faithfully,

V. Shibayev.

Enclosure:

Dear Sir,

With reference to our bill no. 5238 dated 23.6.38 for Rs27/2/- we regret very much to detect that some clerical mistake crept in into the bill. According to the settled rates the total amount of the bill should be Rs17/3/9 and not Rs27/2/- as was wrongly entered in the bill. We would therefore request you to kindly make necessary amendment in the bill. It may kindly be noted here that the sum of Rs10/- only has been paid against this bill though our bills for your next work i.e. bills no. P/5241 dated 25.6.38 for Rs38/8/- and P/5356 dated 30.8.38 for Rs11/4/- have been paid in full. We enclose herewith a statement of accounts from April, 1938 according to which the sum of Rs7/3/9 remains outstanding against you. We would therefore request you to kindly send us a remittance in full settlement of the account at an early date.

We are rather sorry to detect the mistake after such a long period which was due to sudden absence of our accountant from the office.

Thanking you and expecting fresh business from you,

Yours faithfully,
