

URUSVATI HIMALAYAN RESEARCH INSTITUTE

date

Dear Mr. Horch:

As we have completed arranging the permanent ornithological collection, we are now preparing letters to be sent to High Schools and Colleges, inviting groups of students to view the collection.

We therefore would like to put in order our Urusvati quarters, and will greatly appreciate hearing from you as to when the Tankas, which were removed from the walls of Urusvati for exhibition during the summer, will be returned.

Yours very truly,
